At the outset, the Secretary, SEAC apprised the members about the project. He informed that the Executive Engineer, Division No.1, Punjab University, Chandigarh had applied for environmental clearance in the prescribed form 1 and IA vide application dated 15.10.2013. The following preliminary discrepancies were found in the application form which were asked to the project Proponent vide office Memo dated 25.10.2013 so that the complete information be placed before the SEAC for its appraisal:-

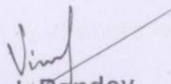

1. Since the environmental clearance has been applied for 9865 sq.m only whereas the area <20,000 sq.m does not requires environmental clearance as per EIA notifications. Whether environmental clearance has earlier been granted by the MoEF, New Delhi . If yes, supply the copy of

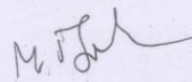

kw

information within a month. If the information is not received within this period, even these projects may be de-listed.

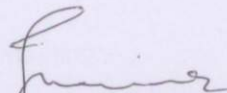

The SEAC, therefore, unanimously recommended that a reminder may again be issued to the project proponent for furnishing the information asked vide letter dated 25.10.2013 alongwith additional information in regard to the total built-up area of the existing construction before 07.07.2004, within one month. If, the information did not received within prescribed period the matter shall be dealt as per the directions contained in OM dated 30.10.2012 issued by the MoEF, New Delhi

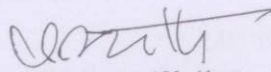

The meeting ended with the vote of thanks to the chair.
